Dear colleagues,

Due to many requests, the paper submission deadline has been extended to 24 December 2023.

IEEE sponsored The International Conference on Artificial Intelligence, Computer, Data Sciences and Applications (ACDSA) will take place in Mahé, SEYCHELLES on 01-02 February, 2024. The conference will provide an excellent international forum for dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices of the academics, researchers, engineers and also industry professionals. **We cordially invite you to be a part of this extraordinary event! Get ready to immerse yourself in cutting-edge research, networking opportunities, and the breathtaking beauty of Seychelles.**

All submissions will be subject to peer reviews and accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's

scope and quality requirements.

The acceptance of the papers submitted to ACDSA'24 will be based on quality, relevance and originality. The conference will be in hybrid mode. There will be both physical, online and poster sessions.

Please visit the conference web page for more details:
